<b>Formula Fund for a year</b>	<b>\$5,000.00</b>
--------------------------------	-------------------

Food and milk supplements are a significant, ongoing expense for our many individual volunteers who have all the usual personal and household expenses. Every cent raised for the formula fund helps at the “grass roots” level.

*I will donate  \$5.00  \$10.00  \$20.00  \$50.00  \$\_\_\_\_\_ (your choice) to help with the cost of providing the special formula our marsupials need while in care.*

<b>1 year Emergency Phone Sponsorship</b>	<b>\$5,000.00</b>
---	-------------------

This is our 24hr, 7 days a week ‘hot line’ that ensures injured and orphaned wildlife quickly receive appropriate, specialized and ongoing care as appropriate.

*I will donate  \$50.00  \$75.00  \$\_\_\_\_\_ (your choice) to offset the cost of this essential lifeline for wildlife in need.*

<b>Masport Wood Mulcher</b>	<b>\$1,250.00</b>
-----------------------------	-------------------

Another dreamed for item is a 6.5hp, petrol driven mulcher to ‘chip’ the huge amounts of leaf and branches for recycling after feeding the wildlife in care. We have a volunteer who will collect the leaf and branches and the mulch can be put to good use – we just need the mulcher!

*Recycling is important to me, my donation for  \$25.00  \$50.00  \$75.00  \$\_\_\_\_\_ (your choice) to help you get a mulcher is on its way.*
